### **Understanding the IEP Process for Parents of Preschoolers**

**March 23, 2021 6:00 – 8:00**

The presentation is designed to provide families/parents and caregivers an overview of the process for developing an Individual Education Program (IEP) using a collaborative approach. ♣ The training provides a review of the areas of the IEP and the information that a parent, family and/or caregiver can share with the Committee on Preschool Special Education (CPSE) regarding their child's performance and disability related needs.

### **CPSE to CSE Transition for Families**

**April 13, 2021 6:00 – 8:00**

The transition from preschool to kindergarten can be a time of excitement but it can also be a source of anxiety. Transitions are made easier when families and providers understand the process. Participants will understand the transition process, how to be an active member of the transition team, understand the difference between services in CPSE and CSE, and understand the purpose of an IEP.
