**Task 1) Disclaimers**

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

**1.1) Assurances****Please check all of the boxes below**

- Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

**1.2) Submission Status**

**Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?**

**Task 2) Original Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

*100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.*

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

**2.1) Assurances**

*Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).*

**Please check the boxes below.**

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

**2.2) Grades 4-8 ELA and Math: Assessments (Original)****STATE-PROVIDED MEASURES OF STUDENT GROWTH**

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

**2.10) All Other Courses (Original)****STUDENT LEARNING OBJECTIVES: Courses without State Assessments or Regents Exams**

For guidance on SLOs, see NYSED SLO Guidance.

SLOs shall be used for the required student performance measure for teachers who do not receive a State-provided growth score. (Please note that for teachers with more than one grade and subject, SLOs must cover the courses taught with the largest number of students, combining sections with common assessments, until a majority of students are covered.)

**For courses that end in a State or Regents assessment:**

- The State or Regents assessment must be used as the evidence of student learning within the SLO for students taking such assessments.

**For other grades/subjects, district-determined assessments from options below may be used as evidence of student learning within the SLO:**

- School- or program-wide, group, team, or linked results; or district- or BOCES-wide results with:
- State assessment(s);
- District-determined assessments from the list of State-approved 3rd party assessments; or
- State-approved district, regional or BOCES-developed assessments; or
- Teacher-specific results with assessment(s) approved for the specific course and grade level that are:
- District-determined assessments from the list of State-approved 3rd party assessments; or
- State-approved district, regional or BOCES-developed assessments.

**Fill in the following, as applicable, for all other teachers in additional grades/subjects that have SLOs** (you may combine into one course listing any groups of teachers for whom the measure and assessment(s) are the same including, for example, "All courses not named above"):

**2.12) Teachers with More Than One Growth Measure (Original)**

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

**2.13) Assurances**

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance.

**Please check the boxes below.**

- Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**2.14) Use of the Optional Subcomponent and Student Performance Category Weighting**

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

**Please indicate if the Optional subcomponent will be used by making the appropriate selection below.**

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

**Task 3) Optional Student Performance Subcomponent**

For guidance on the Optional subcomponent of the Student Performance measure, see NYSED APPR Guidance.

*Up to 50% of Student Performance category, if selected.*

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:

(A) a second State-provided growth score on a State-created or administered test, provided that the State-provided growth measure is different than that used in the Required subcomponent, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

**Task 4**

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

**4.1) Teacher Practice Rubric**

**Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.**

Rubric Name	<b>If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.</b>
Marzano's Causal Teacher Evaluation Model	(No Response)

**4.2) Assurances**

**Please check all of the boxes below.**

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year as indicated in Task 4.1 above.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

**4.3) Process for Weighting Rubric Domains/Subcomponents**

For guidance on the Teacher Observation category, see NYSED APPR Guidance.

**Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).**

The observable components of the four domains of the rubric will be weighted as follows:  
Each observable component of the rubric will be given a rating of 1-4. For each domain, the components will be averaged to arrive at an overall average rating for the domain. The average rating for the Marzano domain will be multiplied by the designated weighting factor. Domain 1 - .68%, Domain 2 - .14%. Domain 3 - .08%, Domain 4 - .10%. The four totals will be added to arrive at an overall score 1.0-4.0. We will then factor in the weighting described in section 4.5.

**4.4) Calculating Observation Ratings****Assurances**

**Please check each of the boxes below.**

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.
- Assure that if the district/BOCES is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, the terms of such waiver shall apply for the school year during which the waiver is effective; and, that in any school year for which there is an approved waiver and such waiver contains information that conflicts with the information provided in Task 4 of the district's/BOCES' approved §3012-d APPR plan, the provisions of the approved waiver will apply. **6.3) Assurance: Appeals****Please check the box below.**

- Assure the district/BOCES has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal.

**6.4) Appeals**

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal to their district/BOCES:

- (1) the substance of the annual professional performance review; which shall include the following:
  - (i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;
- (2) the school district's/BOCES' adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d;
- (3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as required under Education Law 3012-d and Subpart 30-3 of the Rules of the Board of Regents; and

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.****Appeals of Annual Professional Performance Reviews**

The purpose of the internal APPR appeal process is to foster and nurture growth of the professional staff in order to maintain a highly qualified and effective work force. All tenured and probationary employees who meet the appeal process criteria identified below may use this appeal process. A teacher may not file multiple appeals regarding the same performance review or TIP. All grounds for appeal must be raised within one appeal, provided that the teacher knew or could have reasonably known the ground(s) existed at the time the appeal was initiated, in which instance a further appeal may be filed but only based upon such previously unknown ground(s).

**APPR Subject to Appeal Procedure**

Any unit member aggrieved by an APPR rating of either “ineffective,” or “developing” may challenge that APPR. [Unit members may also appeal a rating of “effective” if the member is denied opportunities for advancement with additional compensation, based on that rating.]

In accordance with Regents Rules §30-3.12, an APPR which is the subject of a pending appeal shall not be sought to be offered in evidence or placed in evidence in any Education Law sections §3020-a and 3020-b or any locally negotiated alternate disciplinary procedure, until the appeal process is concluded.

**Grounds for an Appeal**

An appeal may be filed challenging the APPR based upon one or more of the following grounds:

1. The substance of the Annual Professional Performance Review which will include the following:
  - i. In the instance of a teacher rated Ineffective on the Student Performance Category but rated Highly Effective on the Observation/School Visit Category based on an anomaly, as determined locally.
1. The district’s failure to adhere to the standards and methodologies required for the Annual Professional Performance Review, pursuant to *Education Law* §3012-d and applicable rules and regulations;
1. The district’s failure to comply with either the applicable regulations of the Commissioner of Education, or locally negotiated procedures;
1. The district’s failure to issue and/or implement the terms of the Teacher Improvement Plan, where applicable, as required under *Education Law* §3012-d.

**Notification of the Appeal**

In order to be timely, the notification of the APPR appeal shall be filed, in writing, within fifteen (15) school days after the teacher has received the APPR. Notification of the appeal shall be provided to the superintendent of schools or his designee. If a teacher is challenging the issuance or implementation of a teacher improvement plan, the appeal must be submitted in writing within fifteen (15) school days of issuance or of the time when the teacher knew or should have known of an alleged implementation breach of such plan.

When filing an appeal, the teacher must submit a detailed written description of the specific grounds for the appeal as well as the performance review and/or improvement plan being challenged. Along with the appeal, all supporting documentation must be submitted, or specifically noted if pending. Any grounds for appeal or any supporting documentation/information not submitted or noted at the time the appeal is filed shall not be considered.

**Supervising Administrator’s written response to appeal**

Within five (5) school days of receipt of an appeal, the supervising administrator must submit a detailed written response. The response must include any and all additional documents or written materials that are specific to the point(s) of disagreement and/or are relevant to the resolution of the appeal. Material not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal.

**Annual Professional Performance Review - Education Law §3012-d****Task 6. Additional Requirements (Teachers) - Tasks 6.1-6.9**

**Decisions on Appeal**

Step 1 – Meeting with the supervising administrator. The bargaining unit member shall upon request be entitled to an Association representative being present. The Step 1 meeting shall be an informal meeting wherein the supervising administrator and the employee are able to discuss the evaluation and the areas of dispute. The Step 1 meeting will take place within ten (10) school days after the supervising administrator's response. If the bargaining unit member is not satisfied with the outcome, he/she may proceed to Step 2. Step 2 shall be initiated by the unit member and/or Association notifying the Superintendent in writing, within five (5) school days of the conclusion of the Step 1 meeting.

**Step 2 - Superintendent**

1. Within five (5) school days of the Step 1 meeting, if a teacher and/or Association is not satisfied with the outcome of the meeting the teacher and/or Association must submit the appeal to the Superintendent of Schools, or the Superintendent's designee. The superintendent or designee will be provided all documentation submitted in step one of the appeal and the responses from the supervising administrator. In the case where the Superintendent and the evaluator is the same person, the Superintendent will choose one of two designated administrators to act as proxy.
2. Within five (5) school days of receipt of the teacher's appeal, the Superintendent or designee will conduct a hearing at which the teacher (and representative at the option of the teacher) and the supervising administrator (and representative at the option of the supervising administrator) will be allowed to present oral arguments in support of the appeal and the response, respectively.
3. Within five (5) school days of the Superintendent hearing, the Superintendent or designee will issue a written determination to the teacher, the Teachers' Association President, and the supervising administrator

**Step 3 - Binding Arbitration**

Within five (5) school days of receipt of the Level 2 determination, if a teacher and the Association are not satisfied with such response the appeal may be submitted to Arbitration if and only if the overall rating is ineffective. Appeals shall be decided in final and binding arbitration by an arbitrator. The arbitrator shall be mutually agreed upon between the Association and the District. If the District and the Association cannot agree on an arbitrator, the American Arbitration Association will be used. The cost of the arbitration shall be borne equally by the school district and the Association. The arbitrator will make a decision within 10 school days of the receipt of the appeal.

If the Association does not agree to take the appeal forward to Arbitration, the teacher may do so at his/her own expense using the procedure set forth above. In that case, if the rating is positively changed, the District shall pay the entire cost of the Arbitration. If the rating is unchanged, or negatively changed, the appealing teacher shall pay the entire cost of the Arbitration.

The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the appeal. The Arbitrator shall have the authority to rescind, modify the TIP or rating, or affirm the rating.

**6.5) Assurance: Evaluators****Please check the box below.**

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

**6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

The training process described below will be used for all evaluators in the Hermon-DeKalb Central School District, including evaluators, lead evaluators, and independent evaluators. Our district will not be using peer evaluators.

All evaluators will participate in annual training provided through St. Lawrence Lewis BOCES. The initial training will take place over a series of 8 modules for a total of 7 days of training and address inter-rater reliability. Once an evaluator has been certified by the BOCES through this process, they will be re-certified by BOCES

annually after completing a 1-day refresher and recalibration training to ensure inter-rater reliability. All new evaluators will go through the full 8 modules in order to be initially certified. Any individual who fails to achieve required training or certification or re-certification, as applicable, shall not conduct or complete an evaluation.

The initial certification training as well as the annual refresher and recalibration includes the nine elements required by Section 30-3 of the Rules of the Board of Regents.

All evaluators will also participate in training from North East Regional Information Center (NERIC) staff on the use of the iObservation electronic platform (within which the district will house its Marzano framework rubrics, instruments, and evidence).

Independent Evaluators in our district will be the superintendent from our district.

Based upon their participation in these activities, BOCES will issue a certificate attesting to the fact that the evaluators and independent evaluators have been trained and calibrated. All evaluators will also be recertified through the SLL BOCES.

**6.7) Assurances: Teacher Evaluation****Please check all of the boxes below.**

- Assure that the district/BOCES shall compute and provide to the teacher their score and rating for the Student Performance category, if available, and for the Teacher Observation category for the teacher's Annual Professional Performance Review, in writing, no later than the last school day of the school year for which the teacher is being measured, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that the evaluation system will be used as a significant factor for employment decisions.
- Assure that teachers will receive timely and constructive feedback as part of the evaluation process.
- Assure that the following prohibited elements listed in Education Law §3012-d(6) are not being used as part of any teacher's evaluation: evidence of student development and performance derived from lesson plans, other artifacts of teacher practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; use of professional goal-setting as evidence of teacher effectiveness; any district or regionally-developed assessment that has not been approved by the Department; and any growth or achievement target that does not meet the minimum standards as set forth in regulations of the Commissioner. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall compute and provide teachers whose Student Performance Category measures are based, in whole or in part, on the grades 3-8 ELA/math State assessments and/or State-provided growth scores with their APPR transition scores and ratings as soon as practicable, but in no case later than September 1 of the school year next following the school year for which the teacher's performance is being measured.
- Assure that, during the 2015-16 through 2018-19 school years, the district/BOCES shall provide such teachers with their original composite rating by September 1 of the school year next following the school year for which the teacher's performance is being measured, or as soon as practicable thereafter.

Page Last Modified: 12/06/2016

**Please check all of the boxes below.**

- Assure that, where applicable, if students take more than one version of the Regents assessment for a particular content area, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.
- Assure that the amount of time devoted to traditional standardized assessments that are not specifically required by state or federal law for each classroom or program within a grade level does not exceed, in the aggregate, one percent of the minimum required annual instructional hours for the grade.
- Assure that individuals with vested interest in the outcome of their assessments are not involved, to the extent practicable, in the administration and scoring of those assessments.
- Assure that, where there is more than one version of a Regents assessment for a content area, that the district/BOCES will only administer both assessments within the timeframes prescribed by the Commissioner. Where only one version of a Regents assessment for a content area is administered in a particular school year, assure that only that assessment will be used as the underlying evidence for an SLO.

**6.9) Assurances: Data****Please check all of the boxes below.**

- Assure that SED will receive accurate teacher and student data, including enrollment and attendance data, and any other student, teacher, school, course, and teacher/student linkage data necessary to comply with regulations, in a format and timeline prescribed by the Commissioner.
- Assure that the district/BOCES provides an opportunity for every classroom teacher to verify the subjects and/or student rosters assigned to them.
- Assure scores and ratings for all teachers will be reported to NYSED for each category, as well as the overall rating, as per NYSED requirements.
- Assure that enrolled students in accordance with teacher of record policies are included and may not be excluded.
- Assure that procedures for ensuring data accuracy and integrity are being utilized.

**Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)**

Page Last Modified: 12/06/2016

**Task 7) Original Required Student Performance Subcomponent**

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance.

**100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent**

**(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.**

**(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.**

**7.1) State-Provided Measures of Student Growth (Original)**

Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal’s students are taking assessments for which there is a State growth model (e.g., K-5, K-6, 6-8, 6-12, 9-12, etc.).

For principals where less than 30% of their students are covered under a State-provided growth measure, please use Task 7.2.

For the 2015-16 through 2018-19 school years, principals of buildings or programs that include all of grades 9-12 who receive State-provided growth scores based on Regents assessments set back-up SLOs based on Regents assessments.

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal. Principals of buildings or programs that include all of grades 9-12 who receive State-provided growth scores based on Regents assessments should continue to set back-up SLOs based on Regents assessments in the 2019-20 school year and thereafter.

**Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, K-6, 6- 8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for back-up SLOs.**

**For each grade configuration indicate the following:**

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

7.1) Assurances

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, for principals of buildings that do not include all of grades 9-12, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator in the event that a State-provided growth score cannot be generated for that principal and that principals of buildings that include all of grades 9-12 will have back-up SLOs set by the superintendent or another trained administrator in all school years.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

**7.4) Principals with More Than One Growth Measure (Original)**

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

**7.5) Assurances**

Please check all of the boxes below.

- Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

**7.6) Student Performance Subcomponent Weighting**

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

**Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)***The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.*

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance and guidance on the use of alternate SLOs during the transition period.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

**7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)**

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- Column 1: lowest grade that corresponds to the building or program
- Column 2: highest grade that corresponds to the building or program
- Column 3: measure used
- Column 4: assessment(s) used

**Task 9**

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

**9.1) Principal Practice Rubric**

**Select a principal practice rubric from the menu of State-approved rubrics to assess performance based on ISLLC 2008 Standards.**

Rubric Name	<b>If more than one rubric is utilized, please indicate the group(s) of principals each rubric applies to.</b>
Multidimensional Principal Performance Rubric	(No Response)

**9.2) Assurances**

**Please check all of the boxes below.**

- Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.
- Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types as indicated in Task 9.1 above.
- Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.

**9.3) Process for Weighting Rubric Domains/Subcomponents**

For guidance on the Principal School Visit category, see NYSED APPR Guidance.

**Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).**

All observable components will be weighted equally and averaged. The principal will be evaluated using a 1-4 point rubric within each domain.

**9.4) Calculating School Visit Ratings****Assurances**

**Please check each of the boxes below.**

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

**Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.****Appeals of Annual Professional Performance Reviews for Administrators**

The purpose of the internal APPR appeal process is to foster and nurture growth of the professional staff in order to maintain a highly qualified and effective work force. All tenured and probationary administrators who meet the appeals process criteria identified below may use this appeal process. A principal may not file multiple appeals regarding the same performance review or PIP. All grounds for appeal must be raised within one appeal, provided that the principal knew or could have reasonably known the ground(s) existed at the time the appeal was initiated, in which instance a further

appeal may be filed but only based upon such previously unknown ground(s).

**APPR Subject to Appeal Procedure**

Any unit member aggrieved by an APPR rating of either "ineffective" or "developing" may challenge that APPR. [Unit members may also appeal a rating of "effective" if the member is denied opportunities for advancement with additional compensation, based on that rating.]

**Grounds for an Appeal**

An appeal may be filed challenging the APPR based upon one or more of the following grounds:

- (1) The substance of the annual professional performance review; which shall include the following:
  - (i) in the instance of a principal rated Ineffective on the student performance category, but rated Highly Effective on the school visit category based on an anomaly, as determined locally;
  - (2) the school district's/BOCES' adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d; and
  - (3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as well as the school district's/BOCES' issuance and/or implementation of the terms of the teacher or principal improvement plan, as required under Education Law §3012-d.

**Notification of the Appeal**

In order to be timely, the notification of the APPR appeal shall be filed, in writing, within fifteen (15) school days after the principal has received the APPR. Notification of the appeal shall be provided to the superintendent of schools or his/her designee. If a principal is challenging the issuance or implementation of a principal improvement plan, the appeal must be submitted in writing within fifteen (15) school days of issuance or of the time when the principal knew or should have known of an alleged implementation breach of such plan.

When filing an appeal, the principal must submit a detailed written description of the specific grounds for the appeal as well as the performance review and/or improvement plan being challenged. Along with the appeal, all supporting documentation must be submitted, or specifically noted if pending. Any grounds for appeal or any supporting documentation/information not submitted or noted at the time the appeal is filed shall not be considered.

**Supervising Administrator's written response to appeal**

Within five (5) school days of receipt of an appeal, the supervising administrator must submit a detailed written response. The response must include any and all additional documents or written materials that are specific to the point(s) of disagreement and/or are relevant to the resolution of the appeal. Material not submitted at the time the response is filed shall not be considered in the deliberations related to the resolution of the appeal.

**Decisions on Appeal****Step 1 – Supervising Administrator**

Meeting with the supervising administrator.

This meeting shall be an informal meeting within 15 days after the APPR evaluation wherein the supervising administrator and the employee are able to discuss the evaluation and the areas of dispute. If the members is not satisfied with the outcome of the meeting, he/she must notifying the Board of Education in writing, within five (5) days of the conclusion of the conference.

**Step 2 – Board of Education**

**Annual Professional Performance Review - Education Law §3012-d****Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9**

Page Last Modified: 12/06/2016

b. Within five (5) school days of receipt of the principal's appeal, the Board of Education will conduct a hearing at which the principal and the supervising administrator (and representative at the option of the supervising administrator) will be allowed to present oral arguments in support of the appeal and the response, respectively.

c. Within five (5) school days of the Board hearing, the Board of Education will issue a written determination to the principal, and the supervising administrator.

**Step 3 – Binding Arbitration**

Within five (5) school days of receipt of the Level 2 determination, if a principal and the Association are not satisfied, the appeal may be submitted to Arbitration if and only if the overall rating is ineffective. Appeals shall be decided in final and binding arbitration by an arbitrator. The arbitrator shall be appointed by the District. The arbitrator will make a decision within ten (10) school days after the receipt of the appeal. The cost of the arbitration shall be borne equally by the school district and the principal

If the rating is positively changed, the District shall pay the entire cost of the Arbitration. If the rating is unchanged, or negatively changed, the appealing principal shall pay the entire cost of the Arbitration.

The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the appeal. The Arbitrator shall have the authority to rescind or modify a PIP or rating, or affirm the rating.

**11.5) Assurance: Evaluators****Please check the box below.**

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a principal's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

**11.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
- 2) the process for the certification and re-certification of lead evaluators;
- 3) the process for ensuring inter-rater reliability; and
- 4) the nature (content) and the duration (how many hours, days) of such training.

**Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.**

The training process described below will be used for all principal evaluators in the Hermon-DeKalb Central School District, including evaluators and lead

evaluators, and independent evaluators. Our district will not be using peer evaluators.

All evaluators will participate in annual training provided through St. Lawrence Lewis BOCES. The initial training will take place over a series of 2 days of training. The training will include a process to achieve inter-rater reliability. Participants will discuss various scenarios pertinent to the role of a building principal and then discuss how to rate the administrator on the performance rubric. This is repeated until all evaluators are providing similar

ratings and can justify their choices.

Once an evaluator has been certified by the BOCES through this process, they will be re-certified by BOCES annually after completing a half-day refresher. Any individual who fails to achieve required training or certification or re-certification, as applicable, shall not conduct or complete an evaluation.

BOCES trainers will offer "turn-key" training in order to certify district staff.

The initial certification training as well as the annual refresher and re-calibration includes the nine elements required by Section 30-3 of the Rules of the Board of Regents.

Based upon their participation in these activities, BOCES will issue a certificate attesting to the fact that the evaluators, independent evaluators, and lead evaluators have been trained and calibrated. All evaluators will also be re-certified through the SLL BOCES.
